

Table of Contents

World Titanium Industry Trends	
Timothy G. Rupert, President and CEO, RTI International Metals, Inc.	1
J. Landis Martin, Chairman and CEO, TIMET	40
Marco Stoppoloni, CEO, Titania S.p.A.....	71
Edward F. Sobota Sr., President, TechSpec Incorporated	76
Yasuyuki Shimizu, President, Toho Titanium Company, Ltd.	81
Why You Need Practical Reliability Details to Define Life Cycle	
Cost For Your Products and Competitors Products.....	107
Paul Barringer, President & Consultant, Barringer & Associates, Inc.	
Superplastic Forming of SP-700: Practical Manufacturing and Environmental	
Advantages.....	139
David Hall, Managing Director, RTI International Metals, Ltd.	
William Swale, Technical Director, Aeromet International PLC	
Titanium: Birth of the Newest Noble Element	161
Edward Rosenberg, Owner/President, Spectore Corporation	
Titanium in Medical Applications	163
Dane A. Miller, Ph.D., President and CEO, Biomet, Inc.	
Worldwide Applications of Architectural Titanium.....	169
Gary Nemchock, Architecture Consultant, Architectural Titanium LLC	
Global Trends of Titanium Scrap Material	181
Vasily I. Semeniuta, President, Grandis Metals	
E-Commerce and the Titanium Industry	
Richard Chusid, Chief Operating Officer, MaterialNet.com.....	195
Nigel Tunna, Managing Director, Metal-Pages Ltd.	213
Fatigue Strength of Titanium for Ship Structures.....	230
Toshiyuki Iwata, Ship Research Institute Ministry of Transport, Japan	
Applications of Titanium for Marine Structures and Ships in Japan.....	250
Shun-ichiro Akiyama, General Manager, Sumitomo Metal Industries, Ltd.	
Large Diameter Titanium Riser for Statoil-Asgard Field	277
Dietmar Fischer, Technical Director, Deutsche Titan GmbH	

Development of a Recommended Practice for Design of Titanium Risers	295
Elisabeth H. Tørstad, Senior Engineer, Det Norske Veritas	
Allegheny Field Development	336
Glen Lochte, Subsea Manager, British-Borneo Exploration, Inc.	
Keynote Speaker	379
Jonathan M. Schofield, Chairman/Holding, Airbus North America	
Titanium in Combat Vehicle Applications	
Robert Dax, Manager, Concurrent Technologies Corporation	465
Michael E. Wells, Welding Engineer, Naval Surface Warfare Center	494
Malcolm Ward-Close, Chief-Titanium Alloys, Defense Research Agency ...	516
James Ogilvy, Consultant, Integrated Concepts & Research Corp.....	522
